The Santa Cruz County Greenway Initiative was filed with this office on 12/14/2021. Said petition consists of 438 sections;

The petition sections at the time of filing contain an affidavit of the person who solicited the signatures and the dates between which the purported qualified electors signed this petition;

The affiant stated he/she solicited the signatures upon that section, that all of the signatures were made in his/her presence, and that to the best of his/her knowledge and belief each signature was the genuine signature of the person whose name it purports it to be;

After the proponent filed this petition, I verified the required number of signatures by examining the records of registration in this county, current and in effect at the respective purported dates of such signing, to determine what number of qualified electors signed the petition and from that examination, I have determined the following facts regarding this petition:
