

The (Santa Cruz Harbor) is amongst the (Central Coast's) most beloved destinations. It provides commercial and recreational fishing, boating and sailing, beach activities, environmental stewardship for the (Monterey Bay National Marine Sanctuary), maritime search and rescue, a great beach, youth and public sailing opportunities, and wonderful local restaurants. I am proud to serve our harbor, as a publicly elected (Port Commissioner) for more than a decade.

I am running for (re-election) because the harbor has become a model of good governance, people working together to ensure that the harbor remains well run and carefully financed, and welcoming to everyone. I possess the experience to guide operational and budgetary aspects of the harbor. I will work tirelessly to make your harbor resilient and a place of which we can all be proud.
